

Reverse Employee Check/EFT

Original Voided check must be attached to request unless a Stop Payment is being requested
Required Backup: Remuneration statement

Use this form when a payroll or off-cycle check/EFT has been issued in error. (Example: A change to master data or a change to time entry reflects an overpayment occurred, and a check/EFT needs to be voided or reissued in a lesser amount). Once OSUP completes the reverse process, agencies must complete all necessary updates to master data and/or time entry, then complete the "Regular Period on Demand Check" process in ISIS HR. Note: EFT reversals will only be processed in certain situations for employee overpayments. Contact OSUP concerning reversals on EFT transactions **prior to submitting this form**.
